Please note that the last day to submit applications is April 6, 2012. For priority consideration please send applications in by March 1, 2012. Applications may be submitted via email to ippfiny@gmail.com or mailed to Marilyn Mullen 2917 St. Paul Street Baltimore, MD 21218.

Name: _____ Email: _____

Age: _____ Date of Birth: _____ Phone: _____

Address: _____

When are you available to work? _____

2. What are your favorite IPP theme days and weeks? I believe counselor's ideas are really important in creating our calendar of events. Please take some time to fast-forward your minds to summer and reflect on the work you would like to do with the kids. Now is the time to tell me all your ideas so we can make them happen. Dream big. In the past themes have included...safety week, color week, pet week, holiday week, land and sea week, and pirate week!!! Feel free to be creative and propose a new week or theme day idea. The more creativity and ideas the better! I will be constructing the calendar of events based on the ideas that you all suggest.

If you are completing this form it is because IPP already has a full application on record for you. If you are satisfied with the application on record you may elect to reactivate your application. By signing below you agree to reactivate your application on record to work for Island Peoples Project for the summer of 2012.
